Spinning out of DC Future State, the story of how Shilo Norman became the Mister Miracle of tomorrow starts here.

The Mister Miracle show used to be the hottest ticket in town, whether you caught him onstage escaping from perilous traps or spotted him on the streets of Metropolis taking out bad guys. What Shilo Norman forgot is the first rule of both showbiz and super-heroing: always leave them wanting more. Now it's time to start showing the world what a miracle man can do. Showbiz/superhero rule #2: timing is everything. There's a new performer in town who wants to knock Mister Miracle off his pedestal and stake a claim to his famous moniker! Can Shilo break free of this trap? (Why yes, that's a clue.)

The story of Yara Flor starts here!

Raised in the faroff land of Boise, Idaho, Yara Flor has always felt something was missing from her life—and now she is headed to Brazil to find it. Little does she know her arrival will set off a series of events that will change the world of Wonder Woman forever. Her return has been prophesied, and with that prophecy comes the undivided attention of benevolent gods from pantheons beyond. Danger lurks around every corner—but is this young hero ready for her journey? Find out in a debut issue you absolutely cannot miss!

Spinning out of the bestselling *Future State: Wonder Woman*, acclaimed writer/artist Joëlle Jones makes a triumphant return to the character to officially introduce her into the DC Universe. You think you know Wonder Girl, but you have never seen her like this!

The event that was DC Future State continues in its own ongoing title starring the Bat-Family, beginning with the epic story "Hunt the Batman." Disaster strikes Gotham City, and all evidence points to the Next Batman! Red Hood must choose justice over his family and allies when the corrupt Magistrate enlists him to bring in the new Batman dead or alive! Featuring the entire cast from the popular Future State Batman titles, this new series kicks off the next chapter in this forbidding world of tomorrow, and does so in brilliant, monochromatic storytelling! This black-and-white series will showcase the brutal world that's around the corner in Future State Gotham!

At last, it's the return of the legendary Milestone Comics! This one shot features twenty-four all-new pages chronicling the events of the Big Bang: the police-brutality protest gone wrong that changed the face of the city of Dakota forever by unleashing a wave of superpowers across its population! As the world watches, a bullied teenager will become the hero known as Static... a framed scientist will go on the run as the superweapon Hardware... and a stranded alien will meet an ambitious young woman who will transform his life, and remake the pair as the all-powerful Icon and Rocket!

Also included is the 17-page primer story originally released online during the world-famous DC Fandome event, further expanding on our heroes' origins and where they're going next... and setting up an entire world of allies, enemies, and surprises!

The original Milestone changed the face of superhero comics forever, introducing the industry to a wave of Black talent who still shape the conversation...and the new Milestone intends to raise the bar! This is the perfect jumping-on point—don't miss out!

Harvey Dent is dead. Or is he?

A gang of thieves thrusts Gotham City into a state of fear when they are mysteriously well-armed with military-grade weapons: flamethrowers, grenade launchers, and even tanks.

And this gang claims it is funded by none other than former district attorney Harvey Dent.

Balancing his two lives, Bruce Wayne must find the truth by tapping his growing network of agents, including Alfred Pennyworth, Jim Gordon, Waylon "Killer Croc" Jones, and the savvy new Catwoman.

Bruce is distracted by the seemingly impossible return of another figure believed dead: his grandfather Adrian Arkham. He must also comfort his longtime friend, Gotham City mayor Jessica Dent, who is scarred both physically and mentally from her experience with the Riddler, which resulted in the gruesome death of her brother.

But is Harvey back, plotting revenge on a city he proclaims to be guilty?

When Batman discovers the truth behind these many mysteries, his entire world unravels...

In Earth's darkest hour, heroes will bring hope in this new addition to the *DCEased* saga, taking place within the timeline of the original epic!

DCEased became a smash horror hit in 2019 by offering a twisted version of the DC Universe infected by the Anti-Life Equation, transforming heroes and villains alike into mindless monsters.

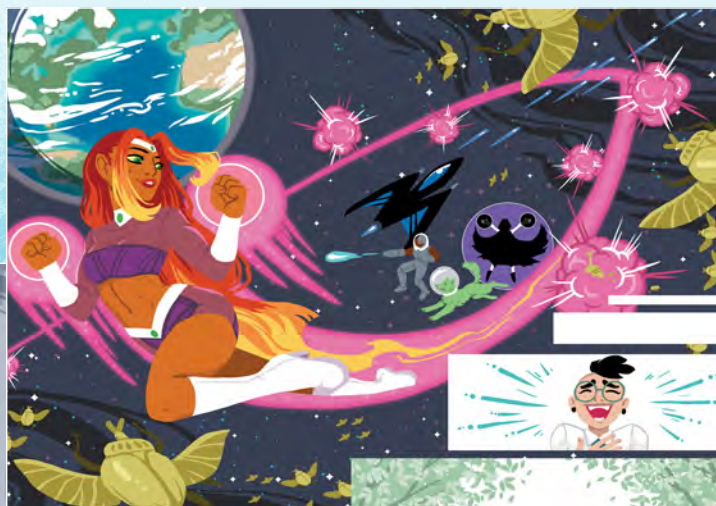

DCEased: Hope at World's End, previously only available digitally, expands the world of that original *DCEased* series by filling in that story's time jump and focusing on characters including Superman, Wonder Woman, Martian Manhunter, Stephanie Brown, Wally West, and Jimmy Olsen.

In *DCEased: Hope at World's End*, the Anti-Life Equation has infected over a billion people on Earth. Heroes and villains have fallen. In the immediate aftermath of the destruction of Metropolis, Superman and Wonder Woman spearhead an effort to stem the tide of infection, preserve and protect survivors, and plan for what's next. In the Earth's darkest hour, heroes will bring hope! The war for Earth has only just begun!

This volume collects *DCEased: Hope at World's End* Digital Chapters 1-15.

From *New York Times* bestselling author Mariko Tamaki (*Laura Dean Keeps Breaking Up with Me*, *Harley Quinn: Breaking Glass*) and artist Yoshi Yoshitani (*Zatanna and the House of Secrets*) comes a story about Mandy, the daughter of super-famous superhero Starfire.

Seventeen-year-old Mandy, daughter of Starfire, is *not* like her mother. Starfire is gorgeous, tall, sparkly, and a hero. Mandy is *not* a sparkly superhero. Mandy has no powers. She's a kid who dyes her hair black and hates everyone but her best friend, Lincoln. To Starfire, who is from another planet, Mandy seems like an alien, like some distant, angry, light-years away moon.

And it's possible Mandy is even more distant lately, ever since she walked out on her SATs. Which, yeah, her mom doesn't know.

And ever since she walked out on her SATs, which her mom doesn't know about, Mandy has been even more distant. Everyone thinks Mandy needs to go to college and become whoever you become at college, but Mandy has other plans. Or she did until she gets partnered with Claire, the person she *intensely denies liking but definitely likes a lot*, for a school project.

When someone from Starfire's past arrives, Mandy must make a choice: give up before the battle has even begun, or step into the unknown and risk everything to save her mom. *I am Not Starfire* is a story about teenagers and/as aliens; about knowing where you come from and where you are going; and about mothers.

Now in hardcover, this *New York Times* bestselling book makes the perfect addition to any library and the perfect gift for fans!

Author Kami Garcia and artist Gabriel Pico, the creative duo behind the *New York Times*, *USA Today*, and *Publishers Weekly* bestseller *Teen Titans: Raven*, take you on a journey of self-discovery and acceptance, while reminding us the value of true friendship—especially when life gets wild.

Garfield Logan has spent his entire life being overlooked. Even in a small town like Eden, Georgia, the 17-year-old with green streaks in his hair can't find a way to stand out—and the clock is ticking. Senior year is almost over. If Gar doesn't find a way to impress the social elite at Bull Creek High School, he will never know what it's like to matter. Gar's best friends, Stella and Tank, can't understand why he cares what other people think, and they miss their funny, pizza-loving, video game-obsessed best friend.

Then Gar accepts a wild dare out of the blue. It impresses the popular kids, and his social status soars. But other things are changing, too. Gar grows six inches overnight. His voice drops, and suddenly, he's stronger and faster. He's finally getting everything he wanted, but his newfound popularity comes at a price. Gar has to work harder to impress his new friends. The dares keep getting bigger, and the stakes keep getting higher.

When Gar realizes the extent of his physical changes, he has to dig deep and face the truth about himself—and the people who truly matter—before his life spirals out of control.

Thought to have been defeated long ago by Superman and his allies, the ancient Shadowbreed have returned in a horrifying new form, and Superman's oldest ally has been assimilated into their ranks. As Jon and the besieged new Thakkromite leader search for the key that will help them defeat the creatures, Superman returns to the site of his first historic victory over the Shadowbreed in an attempt to warn the Thakkramites of the incoming threat. But Superman's old allies kept terrible secrets from him, and both he and Jon are more vulnerable against the Shadowbreed than they know.

And in the bonus story, Jimmy Olsen's plan to build a backup squad to help out his pal Superman looks like it's already falling apart when two of its members, Loose Cannon and Gangbuster, would rather fight than be friends.

The final issue of the acclaimed revival of *Batman Black & White* is here, and readers won't want to miss this deep dive into the

new horrors of Gotham and ordinary citizens inspired by Batman.

- Iconic Batman scribe Scott Snyder reunites with his *All-Star Batman* collaborator John Romita Jr. to tell the story of a man who has been documenting Batman's history in Gotham for a very long time—and now, he has something to say about the Dark Knight's legacy.

- Eisner Award nominee and the artist behind *Batman: Universe* and *Future State: The Next Batman*, Nick Derington writes and draws an epic tale introducing us to two gangs whose power struggle in Gotham has been going on longer than the history of the city itself.

- The acclaimed creative team behind *Infinite Loop*, Elsa Charretier and Pierrick Colinet, team up once more for their DC Comics writing debut with a frightening story of psychological horror and the Dark Knight!

- The fan-favorite co-creators of *Rumble*, writer John Arcudi and artist James Harren, spin a tale of Clayface and the evils lurking beneath the surface of the stories we love the most.

- The powerhouse creative team of writer Brandon Thomas and artist Khary Randolph tell a story about one of Gotham's most impoverished neighborhoods, and how it ends up being exploited by villains like the Mad Hatter!

As mysteries deepen, so do resentments. Throughout her life, Catwoman's actions have caused many close to her to doubt her motivations. Bruce Wayne, Phantasm, and now her daughter have all had their suspicions about her deals with The Joker. And when she killed the old clown, did it trigger this feline's ninth life? Or maybe it was really over all those years ago, the first time Phantasm drew her blood and Batman had to face a harsh truth. There are big revelations waiting to be found here at the halfway point in Tom King and Clay Mann's final word on the Bat/Cat romance!

The Dark Knight and the Man of Steel are on a mission to stop the godlike Auteur.io from destroying the pocket worlds he's created...but where on Earth did Auteur.io even come from? The answer starts not on Earth at all, but with an ancient cult of World Forger worshippers on a planet far away—and if our heroes are to have a prayer of stopping this mythic behemoth, they'll need to get to the bottom of his power source, and quick! It's a race against time as the parallel lives of entire worlds hang in the balance!

The new Justice League is trapped on a world devastated by a super-powered war, and Brutus hungers for a new home of his own—our Earth! With their powers gone haywire, the League must fight their way out of a post apocalyptic Thunderdome of depravity and desperation. On the run with Batman, Naomi learns more dark secrets of her birth world's broken legacy, while Hawkgirl and Black Canary battle through the henchmen trenches. But where are Superman and Black Adam, and what kind of trouble is Aquaman in? (Hint: it's bad.)

And in the Justice League Dark story, Ragman joins the hunt! Zatanna, Constantine, Etrigan, and Detective Chimp hit the books—literally—in a possessed library, as Merlin's plan takes shape before them...and spells doom for the universe.

Words can be tricky. Renee Montoya has known this for most of her life. Words taught her to feel ashamed of her gender, her sexuality, and her ethnicity. The people of Gotham City taught her to hide who she was to fit in to, be loved, and in doing so, they taught her to hate herself. But from that despair came something unexpected and powerful.

Renee's path from a closeted police officer in the 1990s to her time as the faceless vigilante known as the Question is one that is inextricably linked with queerness. It is one that is defiant of binaries, outmoded and hateful stereotypes, and the words that propagate them. As the Question, Renee stood in contrast to society's rigid expectations of her, held a mirror up to the world's face, and asked, "Who are you?"

The long-awaited miniseries written by Academy Award-winning screenwriter John Ridley (*12 Years a Slave*, *Let It Fall*) and beautifully illustrated by Giuseppe Camuncoli and Andrea Cucchi continues to explore the mythology of the DC Universe, as seen through the prism of DC Super Heroes from historically disenfranchised groups.

The first Future State collections are here! Giant, sprawling future Gotham City is under martial law, protected and regulated by a private security force led by the infamous Peacekeepers. Their mandate is to maintain the safety of the citizens of Gotham, regardless of any constitutional rights, and to hunt down, incarcerate, or kill all masked vigilantes, villains, and criminals in the city limits. It's a dangerous and violent look at a possible future Gotham City and the heroes and villains who live there!

Collects *Future State: The Next Batman* #1-4, select stories from *Future State: Dark Detective* #1-4, and *Future State: Nightwing* #1-2.

The first Future State collections are here! We all know the history of Superman and his family, but what lies ahead for them is just as exciting as what has come before. Peer across centuries as your favorite Kryptonians and their allies and enemies grow and change. Watch Jonathan Kent endeavor to establish himself as the true Superman while his father, Clark, battles in the arenas of Warworld. Peer into a far-flung era where Kara Zor-El, once Supergirl and now Superwoman, creates her own fortress of peace on the Moon. Cheer for Lois Lane as she tries to stop Lex Luthor from wrecking the United Planets.

Also featuring stories about the Guardian trying to keep Metropolis from crumbling in the absence of its regular protectors, Midnighter undertaking a secret mission to give Clark a fighting chance, and Shilo Norman, a.k.a. Mister Miracle, bouncing between both worlds, looking for the answer that links them both. Meet a brand-new version of Black Racer, and a transformed Legion of Super-Heroes. And to cap it off, join the millennium where Clark Kent's descendants protect the universe as the House of El.

Collects *Future State: Superman of Metropolis* #1-2, *Future State: Superman: Worlds of War* #1-2, *Future State: Superman vs. Imperious Lex* #1-3, *Future State: Kara Zor-El, Superwoman* #1-2, *Future State: Legion of Super-Heroes* #1-2, and *Future State: Superman: House of El* #1.

Two years after the events of *Batman: Curse of the White Knight*, Azrael has wiped out criminals in Gotham, Jack Napier (formerly The Joker) is dead, Bruce Wayne (Batman) is in prison, and Harley Quinn is adjusting to life as a single mother, raising the twins she had with Jack.

But as new villains arise, Harley is forced to dance with madness once again and confront her own past with The Joker and Batman while helping the Gotham City police and an eager young FBI agent uncover the truth behind a series of gruesome murders.

This collection also features a chapter from Harley Quinn's newest digital-first series, *Harley Quinn Black + White + Red*, told in a traditional black-and-white format with the color red uniquely shaping Harley Quinn's story.

Collection includes *Batman: White Knight Presents Harley Quinn* #1-6 and a story from *Harley Quinn Black + White + Red* Digital Chapter 6.

The Joker is dead. There is no doubt about that. But whether Batman finally snapped his scrawny neck or some other sinister force in Gotham City did the deed is still a mystery.

Problem is, Batman can't remember...and the more he digs into this labyrinthian case, the more his mind starts to doubt everything he's uncovering.

So who better to set him straight than...John Constantine? The problem with that is as much as John loves a good mystery, he loves messing with people's heads even more. So with John's "help," the pair will delve into the sordid underbelly of Gotham as they race toward the mind-blowing truth of who murdered The Joker.

Batman: Damned is an epic supernatural-horror graphic novel told by two of comics' greatest modern storytellers, Brian Azzarello and Lee Bermejo. This new title collects the revised miniseries, plus a sketch gallery and other bonus features.

Legendary writer/artist John Byrne brought his unique vision to *New Genesis* and *Apokolips* in the 1990s—starting with the destruction of the twin worlds! Only Metron of the *New Gods* survives to journey to Earth to try to save the *New Gods'* future! But in the process, Metron discovers his own part in their destruction! Along the way, the Forever People and Lightray return as the pieces begin falling into place for Metron, but the answers he seeks lie beyond the impenetrable Source Wall.

Then, *New Genesis* and *Apokolips* are reborn as a single planet—and Highfather is to blame! With his son, Orion, and Takion, living avatar of the Source, Highfather sets his sights on the ultimate confrontation with Darkseid, master of *Apokolips*! And in the miniseries *Genesis*, Earth's heroes are losing their powers—thanks to the Godwave, a force that created gods and planets across the galaxy eons ago.

Collects *New Gods* #12-15 (1997), *Jack Kirby's Fourth World* #1-20, and *Genesis* #1-4.
